1.30 Late Proposals

Proposals received by LAKETRAN after the exact time set for receipt in Section 1.2 above are considered "late". Late proposals will be considered only if received before contract award, and the following objective, bona fide proof is submitted showing reason or cause for delay as follows:

1. it was sent by registered or certified mail not later than 5 calendar days before the proposal receipt date specified;

The only acceptable evidence to establish the date of mailing by an overnight express service is the date entered by the receiving clerk on the label.

1.31 Protests

It is the policy of LAKETRAN to prepare specifications for requests for proposals that are not discriminatory in nature. All solicitations are to be open and free to all competing vendors.
whereby all have a reasonable chance to be successful and be awarded a contract.

If a vendor feels that a particular solicitation is unfair for whatever reasons, the following procedure must be followed to register a proper protest and said procedure shall be a part of all solicitations:

STEP 1 - Protest must be made in writing and addressed to the General Manager no later than (1) three days before the scheduled proposal due date, (2) three days after the proposal opening, or (3) three days after contract award, as applicable. Such protest must cite what the solicitation was for, and for what reason the protest is lodged.

STEP 2 - The General Manager shall make all reasonable attempts to resolve the protest prior to the proposal opening or award of a contract, as applicable, and reserves the right to reschedule same if -at his discretion - deemed necessary. The General Manager must make his decision no later than ten (10) working days from date the protest is lodged.

STEP - If the protest is not satisfactorily resolved at Step 2, the person or firm making the protest may request a hearing with his legal counsel and LAKETRAN, with LAKETRAN's legal counsel serving as arbitrator on the matter. Request for such a hearing must be made within 15 working days of the original date the protest was filed.

The decision at Step 3 shall be final and binding on all parties.

If the vendor believes that LAKETRAN did not follow the above process, he/she may appeal to the Federal Transit Administration (FTA) as follows:

Office of Program Management
Federal Transit Administration
Suite 320
200 West Adams Street
Chicago, IL 60606
(312) 353-2789

under this contract and the regulations relative to nondiscrimination on the grounds of 
race, color, religion, age, sex, or national origin.

regulations or directives issued pursuant thereto, and shall permit access to its books, 
records, accounts, other sources of information, and its facilities as may be determined 
by LAKETRAN or the Federal Transit Administration (FTA) to be pertinent to 
ascertain compliance with such regulations, orders and instructions. Where any 
information is required of a CONTRACTOR and is in the exclusive possession of 
another who fails or refuses to furnish this information, the CONTRACTOR shall so 
certify to LAKETRAN, or the Federal Transit Administration, as appropriate and shall 
set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance

Provided, however, that in the event a CONTRACTOR becomes involved in or is threatened with litigation with a subcontractor or supplier as a result of such direction, the CONTRACTOR may request LAKETRAN to enter into such litigation to protect the interests of LAKETRAN and, in addition, the CONTRACTOR may request the United States to enter into such litigation to protect the interest of the United States.

2.14 Noncompliance (EEO/DBE)

In the event of the CONTRACTOR's noncompliance with the Disadvantaged Business provisions of this contract, LAKETRAN shall impose such sanctions as it may determine to be appropriate, including, but not limited to:

In the case of serial deliveries and serial invoicing, LAKETRAN reserves the right to deduct overpayments from current invoice amounts.

Payment does not waive the later revocation of acceptance.
Payment terms and warranty coverage begin at time of acceptance. Procedures for acceptance are in Section 3 of this IFB.

All invoices shall be mailed to: Accounts Payable, LAKETRAN, P.O. Box 158, Grand River, Ohio 44045.

Late payments will accrue no interest.

The prime contractor agrees further to return retainage payments to each subcontractor within 10 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of Laketran. This clause applies to both DBE and non-DBE subcontractors.

2.17 Liquidated Damages

Time is of the essence in this contract. The CONTRACTOR will pay LAKETRAN the sum of $100.00 per each calendar day, excluding weekends and statutory holidays, that the products solicited by this RFP are delayed beyond the delivery stipulated under Section 5 and as bid upon subject to extensions granted thereto in writing. The CONTRACTOR agrees to pay such liquidated damages herein provided commencing with any late delivery after the last date of delivery specified in CONTRACTOR's bid and continuing until the total order is complete and, in case the same are not paid, agrees that LAKETRAN shall deduct the amount thereof from any money due or to become due the CONTRACTOR under the contract.

The CONTRACTOR may be granted an extension of time and will not be assessed with liquidated damages or the cost of engineering and inspection for any portion of the delay in completion of the work beyond the time named in these specifications caused by acts of God, or of the public enemy, fire, floods, epidemics, strikes, labor disputes, and freight embargoes, or other causes beyond his/her reasonable control, provided that the CONTRACTOR shall notify LAKETRAN in writing of the causes of delay within 7 days from the beginning of any such delay.
