FALL PROTECTION FOR MAINTENANCE SHOP

ADDENDUM #1

3.8 Evaluation Criteria

Proposals will be evaluated as follows:

Table with 6 columns: Evaluation Criteria, Poor, Below Expectations, Meets Expectations, Exceeds Expectations, Outstanding. Rows include Adherence to System Requirements, System Ease of Use for Operators, Required Forms, References, Warranty, Timeline for Project Completion, and Price.

3.9 Site Visits

If a vendor would like to send an estimator to Laketrans to review the site, then the vendor needs to contact both Keith Bare and Andrea Aaby by email - kbare@laketrans.com ; aaaby@laketrans.com.

Laketrans Pricing Form

Vendors have the option to propose a “passable” system that allows the two workers to move past and around one another while working on a vehicle. Please price this separately. This is optional and may or may not be purchased by Laketrans.

Laketrans has the discretion to evaluate the pricing of the proposals with and without optional passable systems.

	Optional Passable System
