555 Lakeshore Blvd. Painesville Twp., OH 44077

**Pre-Bid Meeting  
Mentor High School Bus Stop Construction  
December 12, 2022**

- Laketran's Route 8 services Mentor High School.
  - Mentor High School requested a nice transit waiting environment for students.
  - Mentor High School selected the site and has reviewed and signed off on the plans.
- The bus stop is on school property.
- Contractor will be expected to purchase and install the bus shelter, bench, heater etc.
  - There are long lead times on the shelter and bench.
- The winning bidder will attend a pre-construction meeting with Laketran and Mentor High School to review any needs the school has before construction begins.
- Power will be pulled from the High School stadium.
- DBE goal is 4%.
  - Attached is a list of possible DBEs that contractors can utilize.
  - Contractors are not required to hire DBEs only from this list. This list has been provided to help reduce the burden on the Contractor of identifying potential DBEs only.
  - However, DBEs must be registered through ODOT Unified DBE Directory to count towards the DBE goal - <https://www.dot.state.oh.us/Divisions/ODI/SDBE/Pages/DBE-Directory.aspx>
  - Contractors must meet the DBE goal or demonstrate good faith efforts to hire DBEs.
- All questions must be submitted in writing to Andrea Aaby at [aaaby@laketran.com](mailto:aaaby@laketran.com)
- A contract will be awarded by Laketran's Board of Trustees at the January 30, 2023 meeting.
- All paperwork and forms are mandatory as a condition of responsiveness.
