The only acceptable evidence to establish the date of mailing by registered or certified mail is a U.S. or Canadian postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both must show a legible date or it shall be deemed to have been mailed late.

The only acceptable evidence to establish the time of receipt at the Buyer's facility is the time/date stamp of such facility on the proposal wrapper or other documentary evidence of receipt maintained by the facility.

The only acceptable evidence to establish the date of mailing by an overnight express service is the date entered by the receiving clerk on the label.

### **1.35 Protests**

It is the policy of LAKETRAN to prepare specifications for requests for proposals that are not discriminatory in nature. All solicitations are to be open and free to all competing vendors whereby all have a reasonable chance to be successful and be awarded a contract.

If a vendor feels that a particular solicitation is unfair for whatever reasons, the following procedure must be followed to register a proper protest and said procedure shall be a part of all solicitations:

STEP 1 - Protest must be made in writing and addressed to the General Manager no later than (1) three days before the scheduled proposal due date, (2) three days after the proposal opening, or (3) three days after contract award, as applicable. Such protest must cite what the solicitation was for, and for what reason the protest is lodged.

STEP 2 - The General Manager shall make all reasonable attempts to resolve the protest prior to the proposal opening or award of a contract, as applicable, and reserves the right to reschedule same if -at his discretion - deemed necessary. The General Manager must make his decision no later than ten (10) working days from date the protest is lodged.

STEP - If the protest is not satisfactorily resolved at Step 2, the person or firm making the protest may request a hearing with his legal counsel and LAKETRAN, with LAKETRAN's legal counsel serving as arbitrator on the matter. Request for such a hearing must be made within 15 working days of the original date the protest was filed.

The decision at Step 3 shall be final and binding on all parties.

If the vendor believes that LAKETRAN did not follow the above process, he/she may appeal to the Federal Transit Administration (FTA) as follows:

Office of Program Management  
Federal Transit Administration  
Suite 320  
200 West Adams Street  
Chicago, IL 60606  
(312) 353-2789

The Federal Transit Administration will hear appeals only where a local protest procedure does not exist or where the local procedure was not followed.

### **1.36 Addenda to RFP**

LAKETRAN reserves the right to amend the RFP at any time. Any amendments to the RFP shall be described in written addenda. Notification of the addenda also will be distributed to all prospective Proposers officially known to have received the RFP. Failure of any prospective Proposer to receive the notification or addenda shall not relieve the Proposer from any obligation under the RFP therein. All addenda issued shall become part of the RFP. Prospective Proposers shall acknowledge the receipt of each individual addendum in their Proposals on the form Acknowledgement of Addenda. Failure to acknowledge in the Proposal receipt of addenda may at the Agency's sole option disqualify the Proposal.

### **1.37 Notice of Commencement**

Not Required.

### 3.2 Equipment Demo

For this major purchase, Laketran will not purchase sight unseen and will require an on-site demo of the equipment for this RFP. Demos will be scheduled with each proposer between February 1, 2023 and February 10, 2023. The demo of the equipment is expected to take up to four (4) hours. Laketran will verify the equipment will adequately function on all of our vehicle types. The equipment can return the same day.

Sales representatives are encouraged to be present during the demo.

### 3.3 Service Calls

Equipment down time can be a major issue, to Laketran, due to minimal service bays for mechanics. A lift out of service could cause up to three mechanics a day not having work space. Quick response times to lift issues is important to Laketran.

### 3.4 Warranty

Warranty information will be evaluated in the proposal. Laketran will opt for the "best value" when warranty could reduce the cost of ownership.

### **3.5 Price**

As good stewards of taxpayer money, Laketran will evaluate on price also. Bidders are to submit their best/last full price for the equipment, shipping, delivery, setup and training. Applying all available discounts and incentives (i.e. state contract pricing, Sourcewell pricing, government rates, promotions).

Laketran expects to award the purchase after the February 27, 2023 Board of Trustees meeting.

### **3.6 Options**

The contract will include an option to purchase up to 12 additional lifts (3 sets) over the next 3 years. An option is a unilateral right in a contract by which, for a specified time, a recipient may acquire additional equipment, supplies, or services than originally procured.

Laketran makes no guarantee to purchase any additional lifts beyond the initial order.

The pricing of additional lifts will be based upon the price submitted on Attachment A plus an inflation factor as determined by the Producer Price Index (PPI) for Machinery and Equipment - <https://fred.stlouisfed.org/series/WPU11>.

The price of the Options shall be the unit price of the base order, (“Base Order Price”) adjusted by multiplying the base order price by the following fraction: Latest Published Preliminary Index Number Prior to Notice of Exercise of Option / Index Number on Effective Date of the Contract.
