**ITB # 2306 AWT Bus Stop Construction
Pre-bid Meeting
April 25, 2023**

There is a large tree located at the corner of the AWT Transformation Training Center's parking lot that will impact the location of the sidewalk. AWT has confirmed that no trees should be cut down. Sidewalk location will need to be altered. Addendum forthcoming.

Laketrans has a template from the shelter manufacturer for the proper installation of the shelter that the contractor can borrow.
