Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 C.F.R. 26.13(b)).

It is the policy of the Department of Transportation (DOT) that DBE's, as defined in 49 CFR, Parts 23 and 26, shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds under this Agreement. LAKETRAN shall verify proposals. In the event of a single proposal response, this solicitation will be automatically converted to a negotiated purchase which shall require the Contractor/Proposer to negotiate a fair and equitable price. LAKETRAN retains the right to request certifiable cost analysis data which the Proposer must provide. LAKETRAN reserves the right to negotiate an adjustment in Proposer's price if warranted by said analysis. FTA review of a single proposal may be required and will automatically extend the time proposals shall be good.

1.30 Contractual Terms and Conditions

The terms and conditions of any contract that results between LAKETRAN and the successful Proposer are discussed in Section 2. Laketrans will award a firm, fixed-price contract that is

inclusive of all fees, shipping costs, overhead and profit.

Similarly, the terms "LAKETRAN", "buyer", "purchaser" and "Authority" are used interchangeably. All terms, including "his" and "his/her", are used in a gender-neutral manner.

1.34 Late Proposals

Proposals received by LAKETRAN after the exact time set for receipt in Section 1.2 above are considered "late". Late proposals will be considered only if received before contract award, and the following objective, bona fide proof is submitted showing reason or cause for delay as follows:

1. It was sent by registered or certified mail not later than 5 calendar days before the proposal receipt date specified;
2. It was sent by mail and it is determined by LAKETRAN that the late receipt was due solely to mishandling by LAKETRAN after receipt; or
3. It was sent by an overnight express service not later than 5:00 PM at the place of mailing 1 working day prior to the date specified for receipt of proposals and is marked for delivery by next business morning. The term "working days" excludes weekends and holidays.

The only acceptable evidence to establish the date of mailing by registered or certified mail is a U.S. or Canadian postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both must show a legible date or it shall be deemed to have been mailed late.

The only acceptable evidence to establish the time of receipt at the Buyer's facility is the

time/date stamp of such facility on the proposal wrapper or other documentary evidence of receipt maintained by the facility.

The only acceptable evidence to establish the date of mailing by an overnight express service is the date entered by the receiving clerk on the label.

1.35 Protests

It is the policy of LAKETRAN to prepare specifications for requests for proposals that are not discriminatory in nature. All solicitations are to be open and free to all competing vendors whereby all have a reasonable chance to be successful and be awarded a contract.

If a vendor feels that a particular solicitation is unfair for whatever reasons, the following procedure must be followed to register a proper protest and said procedure shall be a part of all solicitations:

STEP 1 - Protest must be made in writing and addressed to the General Manager no later than (1) three days before the scheduled proposal due date, (2) three days after the proposal opening, or (3) three days after contract award, as applicable. Such protest must cite what the solicitation was for, and for what reason the protest is lodged.

STEP 2 - The General Manager shall make all reasonable attempts to resolve the protest prior to the proposal opening or award of a contract, as applicable, and reserves the right to reschedule same if -at his discretion - deemed necessary. The General Manager must make his decision no later than ten (10) working days from date the protest is lodged.

STEP - If the protest is not satisfactorily resolved at Step 2, the person or firm making the protest may request a hearing with his legal counsel and LAKETRAN, with LAKETRAN's legal counsel serving as arbitrator on the matter. Request for such a hearing must be made within 15 working days of the original date the protest was filed.

The decision at Step 3 shall be final and binding on all parties.

If the vendor believes that LAKETRAN did not follow the above process, he/she may appeal to the Federal Transit Administration (FTA) as follows:

Office of Program Management
Federal Transit Administration
Suite 320
200 West Adams Street
Chicago, IL 60606
(312) 353-2789

The Federal Transit Administration will hear appeals only where a local protest procedure does not exist or where the local procedure was not followed.

1.36 Addenda to RFP

LAKETRAN reserves the right to amend the RFP at any time. Any amendments to the RFP shall be described in written addenda. Notification of the addenda also will be distributed to all prospective Proposers officially known to have received the RFP. Failure of any prospective Proposer to receive the notification or addenda shall not relieve the Proposer from any obligation under the RFP therein. All addenda issued shall become part of the RFP. Prospective Proposers shall acknowledge the receipt of each individual addendum in their Proposals on the form Acknowledgement of Addenda. Failure to acknowledge in the Proposal receipt of addenda may at the Agency's sole option disqualify the Proposal.

1.37 Notice of Commencement

Not Required.
