## **RFP#2503 CARPET AND FLOOR CLEANING ADDENDUM #1**

New information is added in \*RED\*

### **3.3 Mohawk Carpet Important Warranty Information**

Mohawk requires that chemicals, solutions, and equipment used to clean the carpet have been certified by the [Carpet and Rug Institute](#) to maintain the warranty.

- Laketrans's construction contractor previously used non-approved cleaning methods on some of the carpet which resulted in permanent staining.
- Vendors are required to submit list of solutions and equipment to be used and Laketrans will cross-reference with the approved list from the Carpet and Rug Institute.
- Vendors that do not submit approved solutions and equipment will be deemed non-responsive.
- Failure to use solutions, extractors, systems approved by the Carpet and Rug Institute will result in immediate dismissal.

SOA Certified Extractors List - <https://carpet-rug.org/soa-extractors/>

SOA Certified Solutions List - <https://carpet-rug.org/soa-solutions/>

SOA Certified Vacuums List - <https://carpet-rug.org/soa-vacuums/>

SOA Certified Deep Cleaning Systems List - <https://carpet-rug.org/soa-systems/>

Laketrans is willing to accept extractors, solutions, and deep cleaning and truck mount systems NOT certified by the Carpet and Rug Institute as long as the vendor will accept responsibility for the carpet warranty. Meaning any damage to the blue Mohawk Urban Mobility carpet tile over the warranty period will be rectified by the vendor at their expense up to and including installation of replacement carpet.

### **3.4 Millikin Walk Off Carpet Tile Important Information**

Millikin walk-off carpet tile requires that chemicals, solutions, and equipment used to clean the carpet have been certified by [The WoolSafe Organisation](#).

- Vendors are required to submit list of solutions and equipment to be used and Laketran will cross-reference with the approved list from the WoolSafe Organisation.
- Vendors that do not submit approved solutions and chemicals will be deemed non-responsive.
- Failure to use solutions, extractors, systems approved by The WoolSafe Organisation will result in immediate dismissal.
- Bonnet cleaning is prohibited.
